**CONSENT FORM**

On July 1, 1994 the United States Bankruptcy Court started a new procedure for noticing of hearing dates, journal entries and orders.

Fed. Bankr. R. 9036 allows the clerk to send information by electronic transmission if the entity entitled to receive the notice requests in writing that, instead of notice by mail, all or part of the information required to be contained in the notice be sent by a specified type of electronic transmission.

If you wish to receive notices, journal entries and orders by facsimile, please fill out the consent form below and return to the court. If we do not receive a consent from you, you will continue to receive notices, journal entries and orders by mail.

By allowing the court to fax these items, we conserve the cost of paper, envelopes and postage.

This will not change any procedure regarding the receipt of facsimile filings by the Clerk of the Bankruptcy Court (Neb. R. Bankr. P. 5005).

Any questions may be directed to Laurie Fitzgerald, (402) 661-7475 or Donna Soukup, (402) 437-5100.
