

Additionally, this petition is to be acted upon by the Court only if accompanied by an affidavit from a licensed physician indicating that the above-named petitioner is disabled as defined in KRS 387.510. That affidavit [ ] is attached [ ] will be filed later.

The proposed ward is hereby advised that a guardian's powers are defined in KRS 387.065 and consist of the support, care and education of the ward while not being personally liable for the ward's expenses or to third parties. Specifically, a guardian has the power to take custody of the ward, establishing the ward's place of abode within the Commonwealth, and to take reasonable care of the ward's personal effects and finances. The proposed ward is also advised that a conservator's powers are defined in KRS 387.137 and unlike the guardian's powers, consist only of managing the ward's finances and assets.
