BACKGROUND STUDY REQUIREMENT:

Minnesota Statutes, section 525.545, requires a background study on you for the purpose of assisting the court in determining whether your appointment or continued appointment as a guardian or conservator is in the best interests of the ward or conservatee. The background study will include a review of criminal conviction records held by the Minnesota Bureau of Criminal Apprehension (BCA) and records of substantiated maltreatment of vulnerable adults held by the Department of Human Services (DHS). There will also be a search of the Federal Bureau of Investigation's (FBI) national criminal records repository if you have not resided in Minnesota for the previous five years or if the BCA information indicates that you are a multistate offender or that your multistate offender status is undetermined.

NOTIFICATION OF RIGHTS: You have the following rights:

- The right to be informed that the court will request a background study on you for the purpose of determining whether your appointment or continued appointment is in the best interests of the ward or conservatee;
- The right to be informed of the results of the study and to obtain from the court a copy of the results; and
- The right to challenge the accuracy and completeness of information provided to the court by DHS or BCA by filing a challenge with the appropriate agency under Minnesota Statutes, section 13.04, subdivision 4. Please note that some challenges may be precluded by Minnesota Statutes, section 256.045, subdivision 3.

FEES AND PAYMENT:

- The basic fee for each study is \$12.
- The fee for each fingerprint card is \$30 in addition to the basic fee.
- There is no fee for cases proceeding *in forma pauperis* for conservators and guardians of the person as provided in Minnesota Statutes, section 525.545. For conservators and guardians of the estate, the fee is paid by the estate.
- Make check payable to: Licensing Div., Guardian Background Study.
