* Court will require copies of last 2 years' tax returns to verify "total income" figures and copies of present wage stubs to verify the pattern of present wage earnings. Income should be annualized and divided by 12 to arrive at monthly amounts.

** All claimed deductions should be annualized and divided by 12 to arrive at monthly amounts.

*** Deductions for taxes will be based on the annualized income and the number of exemptions provided by law.

**** The increased cost to the parent for health insurance for the child(ren) of the parent shall be allowed as a deduction from gross income. The parent requesting an adjustment for health insurance premiums must submit proof of the cost of the premium.

***** In the event of substantial fluctuations of annual earnings of either party during the immediate past 3 years, the income may be averaged to determine the percent contribution of each parent as shown in item 6. The calculation of the average income shall be attached to this worksheet.
