**USE NOTE**

18  
19  
20 This Response to Petition gives respondent an opportunity to state  
21 defenses against the charges in the petition. This Response to Petition does  
22 **not** contain a counter petition charging the petitioner with an act of  
23 domestic abuse. If the respondent only wants to defend against the  
24 petitioner's charge of abuse, this form should be used as drafted. If the  
25 respondent wants both to defend against the petitioner's charge of domestic  
26 abuse and also to charge the petitioner with domestic abuse, the respondent  
27 should add a section to this form titled "Counter Petition" and should  
28 include in it suitably-modified relevant provisions from Form 4-961.
