CONFIRMATION ORDER

Pursuant to Va. Code § 20-88.73, the Request for Registration of the above-mentioned Foreign Support Order(s) is:

Confirmed on Court motion following failure of nonregistering party to contest validity or enforcement of such order(s) within twenty (20) days of mailing or personal service of notice of registration.

Confirmed following hearing for the purposes of

enforcement

modification

Not confirmed because:

The issuing tribunal lacked personal jurisdiction over the contesting party;

The order was obtained by fraud;

The order has been vacated, suspended, or modified by a later order;

The issuing tribunal has stayed the order pending appeal;

There is a defense under the law of this Commonwealth to the remedy sought;

Full or partial payment has been made; or

The statute of limitations under § 20-88.69 precludes enforcement of some or all of the arrearages. It appears to the Court that the contesting party has presented evidence establishing a full or partial defense therefore I order that enforcement of the registered order be stayed, and I continue the proceeding to permit production of additional relevant evidence, and issue other appropriate orders. However, the uncontested portion of the registered order may be enforced by all remedies available under the law of this Commonwealth, to wit: _____
