ANSWER: I am presently holding the defendant's nonexempt earnings under a previous writ served on _____ that will terminate not later than _____ (date).

If you are NOT withholding the defendant's earnings under a previously served writ for a continuing lien, answer the following portion of this form and mail or deliver the forms as directed in the writ. A second set of answer forms will be forwarded to you later for subsequently withheld earnings.

At the time of service of the Writ of Garnishment on the garnishee, there was due and owing from the garnishee to the above-named defendant \$ _____. (On the third page of this answer form, or on an attached page, give an explanation of the dollar amount stated or give reasons why there is uncertainty about your answer.)

If the above amount or any part of it is for personal earnings (that is, compensation payable for personal services, whether called wages, salary, commission, bonus, or otherwise, and including periodic payments pursuant to a pension or retirement program): garnishee has deducted from this amount \$ _____ which is the exemption to which the defendant is entitled, leaving \$ _____ that garnishee holds under the writ. The exempt amount is calculated as follows:

Total Compensation Due Defendant:	\$ _____
LESS: Deductions for Social Security and Withholding Taxes and any Other Deduction Required by Law (List separately and identify):	\$ _____
Disposable Earnings:	\$ _____

If the title of this writ indicates that this is a garnishment under a child support judgment, enter 40 percent of disposable earnings: \$ _____. This amount is exempt and must be paid to the defendant at the regular pay time after deducting any processing fee you may charge.

If this is not a garnishment for child support, enter 75 percent of disposable earnings: \$ _____. From the listing in the following paragraph, choose the amount for the relevant pay period and enter that amount: \$ _____. (If amounts for more than one pay period are due, multiply the preceding amount by the number of pay periods and/or fraction of pay period for which amounts are due and enter that amount: \$ _____.) The greater of the amounts entered in this paragraph is the exempt amount and must be paid to the defendant at the regular pay time after deducting any processing fee you may charge.

Minimum exempt amounts for different pay periods:

Weekly	\$ _____
Biweekly	\$ _____
Semimonthly	\$ _____
Monthly	\$ _____

List all of the personal property or effects of defendant in the garnishee's possession or control when the writ was served. (Use the third page of this answer form or attach a schedule, if necessary.)
